

Rada Rodriguez

Senior Vice President, Schneider Electric
Member of the Management Board, Schneider Electric GmbH
President, Orgalim

Rada Rodriguez, is since 2009 member of the Board in Schneider Electric GmbH Germany, where she served as CEO between 2009 and 2016. After 2 years in charge of Schneider Electric Central and Eastern Europe, she is currently Senior Vice President Corporate Alliances. Beside her executive role in Schneider Electric, she is also Member of the Executive Board of ZVEI, the German Professional Association of Electric and Electronic Industries and she serves also as Non-Executive Director in the Board of James Hardie Industries plc.

In over 30 years working primarily in international corporations she has combined leadership roles and technical expertise across sales and marketing, product and offer management, project management, business development, steering international R&D teams, and overseeing integration of acquisitions and internal change processes.

In November 2019 she was appointed President of Orgalim, the European Association of Technology Industries and she is also Conseillers du Commerce Extérieur de la France.

Mrs Rodriguez holds a degree in Construction Engineering.

Orgalim represents Europe's technology industries: companies that innovate at the crossroads of digital and physical technology. Our industries develop and manufacture the products, systems and services that enable a prosperous and sustainable future. Ranging from large globally active corporations to regionally anchored small and medium-sized enterprises, the companies we represent directly employ 11 million people across Europe and generate an annual turnover of around €2,000 billion. Orgalim is registered under the European Union Transparency Register – ID number: 20210641335-88.
