

Thilo Brodtmann

Executive Director of VDMA

Chairman of the Orgalim General Assembly and Board of Directors

Thilo Brodtmann joined the VDMA in 1991 after graduating with a degree in business administration and economics and started out as an economics expert in the Precision Tools Association. Between 1995 and 2014, he was Managing Director of various VDMA associations, including Electronics, Micro and Nano Technologies and Robotics + Automation, while also heading various European associations such as EUnited Robotics.

From 2001 to 2014, Mr Brodtmann was Deputy Executive Director of VDMA and responsible for strategic sales and introducing new fields of technology to VDMA. He has been Executive Director of VDMA since February 1, 2015.

Orgalim represents Europe's technology industries: companies that innovate at the crossroads of digital and physical technology. Our industries develop and manufacture the products, systems and services that enable a prosperous and sustainable future. Ranging from large globally active corporations to regionally anchored small and medium-sized enterprises, the companies we represent directly employ 11 million people across Europe and generate an annual turnover of around €2,000 billion. Orgalim is registered under the European Union Transparency Register – ID number: 20210641335-88.
